11:30 a.m.	Adjourn	

Now in its fifth year, The Leader's Edge brings together luminaries from the building and financial industries to share their experiences and expertise. This year's agenda includes a nationally known economist and management expert who will bring their audience the latest industry trends, news and practical, applicable information. This is the only program of its kind offered in the Southwest and has proven to be *the event* for construction industry movers and shakers.

The Leader's Edge is brought to you by
